Big News for Little People

November 2017

### News You Can Use

- Thank you parents for joining us on our pumpkin patch adventure last month. We had such a good time! The children are still talking about it.
- We also want to thank all parents who volunteered to bring supplies needed to make our Fall party treats. Your contributions are greatly appreciated.
- This month our focus is on being thankful for everything we have been given. We also want to help the children become more aware of how they can help care for those in need. All through the month of November your child may bring canned or dry goods to class and we will let them donate the items to the church's food donation drive.

### Fall Notes From the Office

- As cold and flu weather sets in, it is a challenge for us to keep the children healthy. We need your help! Please keep your child home if they exhibit signs of illness. Staff is striving to keep surfaces clean and wash hands frequently. Sending an unwell child jeopardizes the health of all and keeps families home from work. Please see the Parent Handbook or contact the office if you have questions.
- Please make sure your child dresses appropriately for the weather. Jackets are needed every morning for our daily outdoor play. Be sure to check your child's supply of extra clothing to make sure it fits and is seasonal.
