PUPIL TRANSPORTATION—PRIVATE VEHICLES

The voluntary use of private passenger vehicles to provide transportation for students to and from school-sponsored and approved activities and field trips is occasionally the only way transportation can be arranged for the activity.

In this event, the policy of Jacob's Learning Ladder specifies that certain requirements must be met for the safety and protection of both the driver and the students riding as passengers in the private passenger vehicle.

The following items must be guaranteed to be true statements:

1. I am the owner of the volunteered private passenger vehicle, or I have proper permission to use the volunteered passenger vehicle.
2. I certify that the volunteered passenger vehicle is roadworthy.
3. I am familiar with and obey all laws governing the use of a passenger vehicle.
4. The passenger vehicle is insured per Kansas Law (K.S.A 40-3107(e)):

Bodily Injury	\$25,000 per person / \$50,000 per accident
Property Damage	\$10,000 per accident
Personal Injury Protection	\$4,500 per person
