

Jacob's Learning Ladder Preschool and Adventure Club

Big News for Little People

September 2026

The School Year Begins

- It's a brand new school year at Jacob's Learning Ladder. We are so excited to welcome our new friends to preschool in classroom B8. Our first week of school we are learning about the new classroom and how our daily school year routine will go.
- On Friday 9/18, please bring a family photo for your child's show and share. These photos will not be returned. We will be putting them up in our classroom to give it a more home-like appeal. We want your child to be proud of themselves and the family they have. Their family photo will provide a happy and familiar reminder each day of their loving family.
- Please Check the bulletin board outside of the classroom frequently. Any important upcoming events and sign-up sheets will be posted on that board.

Please Take Note

- The weather is beginning to change and outdoor play is a big part of our day. Please check the weather daily to decide whether or not your child will need a jacket for school.
- This month we are getting to know each and every child, as well as taking a look at what will be our long-term goals for this school year. In early October there are parent/teacher conferences that are an integral part of your child's learning and development. Sign-up will be posted.
